

CATALINA CHINA, INC

DBA HF Coors

A Certified Service Disabled Veteran Owned Small Business
HUBZone Certified

A GSA Multiple Award Schedule Contractor(Schedule 73 and 81 IB)

GSA Contract Holder

CAPABILITIES

Core Competencies

The only full-line producer of commercial dinnerware items in the western United States.

Supplier of packaging supplies including corrugated cartons, poly jacket envelopes.

Differentiators

- All ceramic products are 100% made in Tucson, Arizona.
- Unique capability to customize shape, color, and design to customers' needs, including decorating with any required logos and bands.
- Products meet or exceed government standards for the food industry. They are vitrified, lead free, cadmium free and pass California Prop 65. Products are microwave safe, dishwasher safe, oven safe, and broiler safe.
- With one of the strongest bodies in the industry, ALOX® High Strength dinnerware is built for the rigorous demands of the food service industry.
- GSA Schedule holder since 1999.
- Featured on Discovery Channel's How It's Made.
- Company President Dirck Schou named 2018 Arizona Small Business Person of the Year by US Small Business Administration.
